

Lung Cancer Awareness Month Poster Contest

We all have lungs and lung cancer can impact anyone. This November, join us in raising awareness of lung cancer by designing a poster that creates hope for all those impacted by the disease and inspires us all to take action to make a difference! Selected designs will be recognized at Lung Cancer Initiative's annual meeting in March 2023 and may also be used on greeting cards and materials for lung cancer advocates. Judging criteria includes the following: creativity, attention to the theme, and the inspiration of HOPE!
