## HOST A MINI-EVENT FOR LUNG CANCER INITIATIVE

Each year, Lung Cancer Initiative (LCI) supporters in our community host a variety of grassroots fundraising events benefiting our organization. These events range from large, community-wide events to much smaller Mini-Events. Mini-Events are a great way to make a big impact on a smaller scale, and offer a great way to make friends, enjoy wonderful experiences and support LCI.

## MINI-EVENT IDEAS

**Host a Progressive Party:** Several sponsors can host one course each and attendees move from home to home for an enjoyable evening of food and friendship.

**Sponsor a Cooking Class:** If you are a great cook or know an experienced chef who can give a lesson in making a favorite dish—followed by sharing it together—this is a great option.

**Host a Wine Tasting:** Show off your cellar or wine knowledge with a small evening of great wine and light bites.

**Take Me Out to the Ballgame!** Arrange use of a luxury suite at a sporting event to host a gathering of friends and fans, while also supporting a great cause.

**Offer a Mini Class:** Are you an expert in photography, painting, gardening, or some other field of interest? If you have a special talent that you'd like to share, this could be a great centerpiece for a Mini-Event party.

## AS A MINI-EVENT HOST, YOU...

## TO SUPPORT YOU, LCI WILL...

- **Promote** your event, sell tickets, take reservations and take payment.
- **Communicate** details to the attendees.
- **Issue a tax receipt** for your expenses. Mini-Event hosts bear the costs for their event, but any expenses you incur are tax-deductible as a contribution to LCI.
