

LUNG CANCER INITIATIVE
A NETWORK OF HOPE AND ACTION

Dear Friend,

Thank you so much for considering an in-kind donation in support of the **2025 Evening of Hope Celebration benefiting Lung Cancer Initiative!**

Lung cancer is the leading cancer killer of American men and women; it kills as many people as breast, prostate, and colon cancers COMBINED. It is described as the “invisible” cancer because few people know they have the disease until it is advanced and sadly, few people survive the disease to advocate for increased awareness and research funding.

With your generous support, we can impact lives through funding vital lung cancer research, educational initiatives, and patient support & access programs. These programs are making a difference in the lives of those impacted by lung cancer and empowering healthcare professionals and patient advocates in their efforts to transform what a diagnosis of lung cancer means for people and their families.

To make an in-kind donation, you may...

- 1) Contact our office at 919-784-0410 or by email at soehler@lungcancerinitiative.org to arrange for your donation to be picked up.
